

DPO OUTSOURCE PACKAGE

Outsource of the full performance of the DPO's activities
at a fixed monthly price

Recommended for

Companies/organizations which do not have their own internal employee/s trained in the area or financial resources for the employment of such or perform more complex data processing activities, but hiring a full team of expert employees would be too costly for them.

Key benefits

The company/ organization saves expenses for insurance, training and other expenses associated with appointing of an internal employee. Saves time for hiring internal staff. Through the outsourcing of the position, the company/ organization will have access to a team of highly trained experts with a wide range of expertise. Confidence in the company/ organization that it will not be in the situation of „leaving employee“. Fixed monthly price. Costs for unexpected situations are possible in very limited and emergency situations.

From BGN 350 to BGN 2000 monthly price (excl. VAT)

Determined after the company/ organization has completed a preliminary questionnaire and the scope is defined. For bigger and more complex companies/ organisations the monthly price could be more than BGN 2000 (excl. VAT).

By choosing this service you will be provided with full performance of the activities of the DPO at a preliminary agreed monthly price.

Main activities within the service

- Initial compliance verification;
